## Kappa Delta Foundation Undergraduate Scholarship Application Guidelines

**Please note that all undergraduate scholarships must be submitted electronically through the Kappa Delta website at [www.kappadelta.org/scholarshipapplications](http://www.kappadelta.org/scholarshipapplications).**

The undergraduate scholarship webpage will prompt you to complete six areas electronically:

1. Applicant information
2. Personal statement: describing why you are applying for this scholarship (250 word max)
3. Undergraduate transcript:
  - If the university provides a web transcript, you may submit an unofficial web transcript via PDF *OR*
  - You may submit a high-res scanned copy of your official transcript
4. Two letters of recommendation:
  - A separate electronic form is available online at [www.kappadelta.org/scholarshipapplications](http://www.kappadelta.org/scholarshipapplications) for the following individuals to use. It is the applicant's responsibility to provide the link and ensure the electronic form is submitted by the deadline.

6. "Good Standing" verification: Your chapter president must verify that you are on good standing with the chapter.

Applicants should apply for all scholarships for which they are eligible. However, only **one** scholarship may be awarded to an applicant in an academic year. Please indicate at the beginning of the application all scholarships for which you are applying.

All applicants will be judged on academic excellence, service to the chapter, service to the campus and community, financial need, personal objectives and goals, and recommendations. **Please note that some scholarships have restrictions on major or class in school, and others weigh financial need.**

Kappa Delta scholarship funds may only be used for **tuition, fees or books (not room and board)**. Checks will be mailed to the recipient, but the check will be made payable to the college/university.

If a collegian was awarded a scholarship last year, she may apply again this year. She may not, however, be awarded more than one scholarship in an academic year **and no more than two (2) during a lifetime.**

**The deadline for submission of an application is November 1, 2011. It is the applicant's responsibility to make sure all necessary electronic forms are received at Headquarters by the deadline. Any incomplete applications will not be considered.**
